KEY SUBJECT AREAS

1. Social and economic experiences of countries and regions of Central and Eastern Europe during the pandemic.
2. Social and economic consequences of the pandemic in the short- and long-term perspective.
3. The impact of the pandemic on the sustainable, intelligent and inclusive development of countries and regions.
4. Tools for counteracting the crisis at the national, regional and local level.
5. The role of local government and non-governmental organizations during the pandemic.
6. Regions after the pandemic - development prospects, recommendations for socio-economic policy.

GUIDELINES FOR PARTICIPANTS

The conference will be held on the MS Teams platform. Links to sessions will be sent to participants at a later date. We offer the following forms of participation in the conference:

- giving a presentation (in English or Polish - 15 minutes),
- presenting a poster (ppt/pdf file - max. 5 slides, content in English or Polish),
- without presentation/poster.

We do not offer papers publication. Participants who will give presentation or submit a poster will receive a certificate of participation in the conference.

Participation in the conference is free of charge.

REGISTRATION

Please register on-line until 24 of April, 2021
